Dear Paul:

In reply to your letter of May 16, 1989, we are enclosing a Confidential Record Sheet which is completed as nearly as possible.

We also have information that Mr. Prell "hasn't been served papers by police" from a volunteer and that his house is for sale.

Dear Jere:

Thank you for the note of March 15 related to this individual. We agree with you that he should not be registered with the Boy Scouts of America.

I am enclosing another Confidential Record Sheet which I would like to have completed, so we can identify Mr. Prell. A copy of a paper with his signature would aid in this process also.

Please send us the newspaper clippings or court records that give information concerning this case. We would like the final outcome when the case is completed in the court system.

Thanks again for your help in protecting the youth of America.

RE: Kip Prell [REDACTED] Kansas city

I received a call from Bill Knox, Scoutmaster of Troop 110, South Kansas City Wednesday morning. He informed me that Kip Prell, a former leader in the troop, will be charged with child molestation within the next couple of days.

Kip is a long time Scouter, not currently registered or particularly well known in the Scouting community. He did go to camp with the troop last summer where he met the children involved. The incident did not occur at a Scouting function. Bill will let me know further details as available.
